# LAMCO® FEEDERS

*Providing More for Your Bucks Since 1985*

Quality Materials ♦ Superior Design ♦ Outstanding Workmanship

## Timed Trough Protein Feeder

500 lb. & 800 lb.  
Capacity

**5 Year  
Warranty**

*Domed lid will not  
allow water to stand.*

*21 linear feet of trough  
allows more animals to  
feed simultaneously.*

*Heavy-gauge galvanized  
construction provides  
durability and strength.*

*Solar panel is completely  
enclosed in iron and tilted  
to allow more charging  
hours per day.*

*Timer and battery are  
enclosed in a lockable  
steel box and placed  
at eye level for  
easy maintenance.*

*All wiring is protected  
by steel conduit pipe.*

*Open corners allow  
water to drain easily.*

*18 in. trough height allows  
fawns to access feeder.*

*All edges are rolled  
for your safety.*

*Unique, inverted-cone design allows  
feed to dispense evenly into troughs.*
